

BRUCE E. FREEDMAN

M.D., F.A.C.S.

FINANCIAL AND BILLING INFORMATION

Although we process insurance for our patients, it's ultimately a contract between you and your insurance carrier. It's your responsibility to contact your carrier and determine if Dr. Freedman is a network physician.

We also get authorization from your insurance carrier for your surgery, BUT that does not mean they authorize payment for surgery or office visits.

We will ask for any co-payment on the date of your office visit.

PLEASE BE ADVISED YOUR SURGERY MAY REQUIRE AN ASSISTANT! IF SO, THE ASSISTANT WILL BILL SEPARATELY FROM DR. FREEDMAN.

It is, again, your responsibility to inquire with your insurance carrier about fee schedules they may have for assistants.

We will make every effort to assist with any billing inquiries. We realize this can be a time of anxiety. It's our expectation to make your office experience one of helpfulness, concern and compassion. If, at any time, you have questions about care or billing, please feel free to contact us.
